

## **Trident Filed 2024 Annual Report on Form 20-F**

Apr 28, 2025

SINGAPORE, April 29, 2025 (GLOBE NEWSWIRE) -- Trident Digital Tech Holdings Ltd ("Trident" or the "Company," NASDAQ: TDTH), a leading catalyst for digital transformation in technology optimization services and Web 3.0 activation based in Singapore, today announced that it has filed its annual report on Form 20-F for the fiscal year ended December 31, 2024 with the Securities and Exchange Commission on April 28, 2025 Eastern Time. The annual report can be accessed on the Company's investor relations website at <https://investors.tridentity.me>.

### **About Trident**

Trident is a leading catalyst for digital transformation in digital optimization, technology services, and Web 3.0 activation worldwide, based in Singapore. The Company offers commercial and technological digital solutions designed to optimize its clients' experience with their end-users by promoting digital adoption and self-service.

Tridentity, the Company's flagship product, is an innovative and highly secure blockchain-based identity solution designed to provide secure single sign-on authentication capabilities to integrated third-party systems across various industries. Tridentity aims to offer unparalleled security features, ensuring the protection of sensitive information and preventing potential threats, thus promising a new secure era in the global digital landscape in general, and in South Asia etc.

Beyond Tridentity, the Company's mission is to become the global leader in Web 3.0 activation, notably connecting businesses to a reliable and secure technological platform, with tailored and optimized customer experiences.
